09:45-10:00h	Discussion
10:00-10:15h	ABELA Satellite Symposium Microbiome under protection: S. boulardii in the antibiotic era Dr Nina Ristic, Dr Dusanka Novosel
10:15-10:30h	SALVEO Satellite Symposium Efficacy of EA575® in the treatment of cough and acute bronchitis Ass. Ph.D. Aleksandar Sovtic
10:30-10:45h	Coffee break
10:45-11:00h	The identification of bacterial infections in children in clinical practice Ass. Ph.D. Marko Pokorn

11:00-11:15h	Protracted bacterial bronchitis Dr Olivera Ostojic
11:15-11:30h	Hospitalization of children with respiratory diseases Prim. dr Sladjana Radulovic
11:30-11:45h	Renal diseases as an underlying cause of poor weight gain Dr Branko Lutovac
11:45-12:00h	Pediatric dermoscopy - clinical application Dr Ana Popovic
12:00-12:15h	Integrative medical approach to allergies and atopic dermatitis Ass. Ph.D. Nives Pustisek
12:15-12:30h	Discussion
12:30-12:45h	4U PHARMA Satellite Symposium Complementary medical approach to treating allergies and atopic dermatitis Ass. Ph.D. Tena Niseteo
12:45-13:00h	Coffee break
SESSION 5.	URGENT CONDITIONS IN PEDIATRIC - CURRENT NEWS Moderatori 1. Prof.Ph.D. Milan Djukic 2. Prof.Ph.D. Aspazija Sofijanova 3. Dr Ljiljana Globarevic
13:00-13:15h	Isolated systolic hypertension in young individuals Prof.Ph.D. Milan Djukic
13:15-13:30h	Novel rescue therapies in neonatology Prof.Ph.D. Aspazija Sofijanova
13:30-13:45h	Acute intoxication in children Ass. Ph.D. Branka Polic
13:45-14:00h	Severe asthma exacerbation Dr Milan Rodic
14:00-14:15h	Sudden loss of consciousness - differential diagnosis Dr Ljiljana Globarevic
14:15-14:30h	Foreign bodies in the gastrointestinal tract: the path from the pediatrician to the gastroenterologist Dr Danica Stevovic
14:30-14:45h	Discussion
14:45-15:30h	LUNCH BREAK

ORAL AND POSTER PRESENTATIONS

Moderatori:

1. Prof. Ph.D. Ramush Bejiqi
2. Prof.Ph.D. Olivera Miljanovic
3. Prof. Ph.D. Vesna Miranovic

15:30 -19:00h

**SESSION OF ORAL AND POSTER
PRESENTATIONS**

15:30- 19:30h

GLASS HALL
ESPEN PEDIATRIC LLL Course
Pediatric Nutrition part 1

20.00h

CELEBRATION DINNER

SUNDAY, September 22, 2024

08:00h-09:00h

Registration of participants

SESSION 6.

**BACK TO THE FUTURE - IMMUNIZATION FOR A
HEALTHIER TOMORROW**

Moderatori

1. Prof.Ph.D. Predrag Minic
2. Dr Milko Joksimovic
3. Dr Rajka Pajovic

09:00-09:15h

**Innovations in the immunization against respiratory
syncytial virus**

Prof.Ph.D. Predrag Minic

09:15-09:30h

**Immunization in Montenegro - analysis of the situation
and perspectives - Dr Milko Joksimovic**

09:30-09:45h

A short school of vaccination for parents

Dr Jovan Raicevic

09:45-10:00h

Return of focus - exanthematous fevers

Dr Rajka Pajovic

10:00-10:15h

Return of focus - pertussis

Dr Branka Supic

10:15-10:30h

Discussion

10:30-11:00h

MSD Satellite Symposium

**HPV and implementation of immunization against HPV
related diseases in Montenegro**

Prof.Ph.D. Ana Banko, Dr Darinka Markovic

11:00h

CLOSING OF THE CONGRESS
